

PRODUCT DATA SHEET

Black Melamine 1oz Ladle

Dalebrook Product Code:

TB210

Product Details:

Dimensions = 1oz

Net Weight = 0.0650kg

Packaging:

Inner Carton = 12 units

Carton Dimensions = 280x220x105mm

Carton weight = 1.49kg

Barcode:

5016383076285

Material:

Made from Melamine

Usage:

Ideal display solution for salads, delicatessen, desserts

General guidelines:

Dalebrook® products are intended for use in ambient food counters and chiller cabinets where temperatures remain constant over a given period of time. Not suitable for microwave use, oven use or any other heat sources.

We recommend that products are NOT subjected to dramatic changes in temperature.

Where possible we recommend hand washing for all our products to ensure they remain in the best possible condition throughout their life span.

Although the majority of our products are dishwasher safe, we cannot guarantee product durability when this cleaning method is used, as this will depend on a number of factors such as: Temperature, Detergent type, Number of cycles etc.

We recommend carrying out trials to establish the most suitable washing conditions for your needs.

Customisation Services:

Available on request, subject to agreed MOQ and Leadtime.
